WORK EXPERIENCE

Front-End Developer (Angular 17)

Feb 2024 - Oct 2024

Contributed to the development of an ERP software system aimed at streamlining business processes, enhancing operational efficiency, and optimizing resource management. Proficient in core web technologies including HTML, CSS, and JavaScript, with experience in CSS frameworks such as Bootstrap and Tailwind. The project has been temporarily paused, and I am actively seeking new opportunities to apply my skills and grow professionally.

PROJECTS

* ERP based software

The live project I worked upon is ERP based software for industries. Improved operational efficiency by analyzing workflows, automating processes, and ensuring data accuracy. The technology used is Angular 17, REST Api's and Microsoft SQL Server (Version 2019).

* Portfolio Website using Reactjs

Developed single page application personal Portfolio Website using Reactjs (18.3.1) and use Vite bundle which make highly optimized and efficiency project.

* Blog application

Developed Blog application as full-stack project built using the MERN stack, and technology used are React.js (18.3.1), Tailwind CSS (v3.x), MongoDB (v6.x), Axios (v1.x), Express.js (v4.x), Bcrypt.js designed to deliver a seamless blogging experience. It allows users to create, edit, and delete blog posts, as well as view and interact with posts created by others.

EDUCATION

2020 - 2024 B.Tech (Compute Science) at **Galgotias University**

(CGPA: 8.1/10.0)

SKILLS

- Reactjs(v18.3.1). • MongoDB(v6). • Expressjs(v5). • Nodejs(v23) • Material Ui. • Tailwind Css.
- Data Structure and Algorithms(C++). • Angular 17 • GSAP(GreenShock Animation Platform)
- MsSql

Technology Used - Vs Code ,Github/Git Bash ,Sourcetree.

ACHIEVEMENT

- I have Solved 900+ Question on Code studio with all kind of problem in it. and i also participate in contest on regular basics.
- I have solve 150+ question on Leetcode includes easy and medium question in it.

Courses and Certification -

- Infosys Springboard (Database Management System)
- AWS Academy Graduate - AWS Academy Cloud Foundations
- AWS Academy Graduate - AWS Academy Machine Learning Foundations
